Minimums do not include tax, gratuity or entertainment.

Guaranteed Guest Count

A “guaranteed guest count” is due no later than seven business days prior to the day of the scheduled event. Your “minimum amount charged” will be based on this figure, however, should this information not be available, the original estimated attendance will be used for billing purposes. This “guaranteed guest count” cannot be reduced once submitted.

Balance Due

The balance of your payment is due before the start of your event and can be paid by; cash, cashier’s check, money order or major credit card. No personal checks will be accepted. Any additional costs incurred during the event must be paid at the conclusion of the event via cash or credit card.
